Men's Clean and Sober House Listing

Loa'a ke ola i Hālau-a-ola.

Life is obtained in the House-of-life.

One is happy, safe, well again.

A play on *ola* (life, health, healing, contentment and peace after a struggle. (Mary Pukui #2017)

When looking for a clean and sober house, make sure that your living arrangements will help you in your recovery. Find out the cost, meet your possible room mates (how many live there?, how many in a room?), who is the leader of the house?, etc. Find out clearly what the requirements for living there are (rules, chores, meetings, bible study, etc.). Before signing any agreements, be sure to think about all the expectations and ensure that you are confident and willing to live by their rules. Always have a back up plan for your shelter needs.

We have done our best to provide current and accurate information in this section. Please do not be discouraged if resources have moved or changed names. Call 211 or refer to your yellow pages for up-to-date information.
